CLIENT TESTIMONIALS

“ Revenue Collections is being used at our management sites (Head Office and Regional Office) with external agency access. We are pleased to note the professionalism and competence exhibited by the RSIL Team. We appreciate the perseverance shown and timely resolution provided for business and technical concerns. ”

Head of Risk Management, leading CSP

“ Orga Systems provides convergent billing solutions to mobile operators. I am excited about the professional contributions from Computaris, to configure and deliver our convergent billing product OPSC Gold, according to our customer's needs. ”

Ferdinand Herrmann, Head of System Integration, Orga Systems
