

R Systems Acquires Sento Europe

Acquisition to Enhance Global Delivery Model and Service Offering

R Systems International Limited (NSE: RSYSTEMS) one of the leading providers of outsourced product development, and technical and customer support services today announced that it has completed the acquisition of Sento Europe B.V., a Netherlands corporation and Sento S.A.S., a French corporation (collectively known as Sento Europe) from Sento Corporation, USA.

Sento Europe with operations in Enschede, Netherlands and Metz, France provides a wide range of integrated technical support and customer care services through multiple channels in 18 European languages and 24 countries. Sento Europe primarily focuses on the technology sector and amongst its clients are the world's leading consumer electronic companies. Sento Europe achieved revenues of approximately US\$ 14.85 million during the year ended March 2007.

“We are delighted to complete the acquisition of Sento Europe announced earlier. We welcome the customers and employees of Sento Europe,” said Rekhi Singh, CEO of R Systems. “The acquisition further enhances our global delivery capabilities, expands our customer base in high technology sector and gives us strategic footing in Europe.”

“The combination of Sento Europe with R Systems is a great win for our customers. The combined capabilities of R Systems and Sento Europe will help us to serve our customers better and with a broader range of service offerings,” said Bart van Eunen, Managing Director of Sento Europe.

About R Systems International Limited

R Systems International Limited founded in 1993, is one of the leading providers of outsourced product development and customer support services.
