

COMPARISON OF BLUE PRISM AUTOMATION ANYWHERE UIPATH

LEARNING

BLUE PRISM

Ability to develop and control

AUTOMATION ANYWHERE

Basic developer

UIPATH

Visual design – faster in implementation

ACCESS

BLUE PRISM

App based access only

AUTOMATION ANYWHERE

App based access only

UIPATH

Browser and/or mobile access

ACCURACY

BLUE PRISM

Desktop, web and Citrix automation available

AUTOMATION ANYWHERE

Reasonable accuracy across mediums

UIPATH

Shines in Citrix automation designed for BPO automation

RELIABILITY

BLUE PRISM

Very high

AUTOMATION ANYWHERE

High

UIPATH

Moderate

ARCHITECTURE

BLUE PRISM

Client server architecture

AUTOMATION ANYWHERE

Client server architecture

UIPATH

Web based orchestrator (cloud based)

REUSABILITY

BLUE PRISM

Yes

A library of Blue Prism business objects can be reused across multiple methods

AUTOMATION ANYWHERE

Yes

Individual reusable automation tables can be generated using smart adapters – a product feature in AA

UIPATH

Yes

Develops modular automation that can be used at workflow level

PROCESS DESIGNER

BLUE PRISM

Visual process designer

AUTOMATION ANYWHERE

Script based

UIPATH

Visual process designer

ROBOTS

BLUE PRISM

Back office automation only

AUTOMATION ANYWHERE

Front office & back office robots

UIPATH

Front office & back office robots

COGNITIVE CAPABILITY

BLUE PRISM

Low

AUTOMATION ANYWHERE

Medium

UIPATH

Low

OPERATIONAL SCALABILITY

BLUE PRISM

Good and execution speed is very high

AUTOMATION ANYWHERE

Limited capacity to manage large scale robot deployment

UIPATH

It can fail/crash in medium project

RECORDERS (MACRO READERS)

BLUE PRISM

No (does not exist)

AUTOMATION ANYWHERE

Yes (faster process mapping)
It allows to record & practice actions that can be modified

UIPATH

Yes (faster process mapping)
Optional to record and work activities can be changed

BASE TECHNOLOGY

BLUE PRISM

Basics of C#

AUTOMATION ANYWHERE

Microsoft

UIPATH

Microsoft – SharePoint wf, and Basics of C#, Elasticsearch, Kibana

PRICING

BLUE PRISM

High cost of acquisition; only limited training available

AUTOMATION ANYWHERE

Higher cost of deployment

UIPATH

Attractive entry level pricing

CERTIFICATION AND EDUCATION

BLUE PRISM

Certification program available for delivery provider, capability provider, and service provider

AUTOMATION ANYWHERE

Multiple certifications launched recently

UIPATH

Free online training and certification programs available
